	Area	Floor plan	Height	Floor lead	Pillar grid	Load capacity of hanging points
5	3'788 m²	60 × 57 m	5.50 m	1'200 kg/m²	19.2 x 9.6 m	150 kg
6	3'788 m²	60 × 57 m	5.50 m	1'200 kg/m²	19.2 x 9.6 m	150 kg

### Informationen

Halls 5 and 6 are accessible to visitors via escalators and passenger lifts. Exhibition goods can be delivered by vehicle, from passenger cars to semi-trailers, via the loading ramp directly into the halls. Rooms K1-K5 are located on the same floor and can be used as conference or ancillary rooms.

Visitors to Halls 5 and 6 can enjoy refreshments and relax in the 180-seat "Yellow restaurant" and the 70-seat snack bar of the same name..
